Information for Mappers

British Orienteering recently sent club secretaries important information to be conveyed to everyone who carries out mapping. If you're a mapper, please make sure you have received it; if you haven't, contact your club secretary or Hilary Quick.

British Orienteering have continued to improved their on-line fixtures system. The latest addition is a fixture list which has been designed to be friendly for display on pda/smartphone etc; it contains no graphics, flash or paging and will be extremely quick to display for dial up viewers. The listing can be found at http://www.britishorienteering.org.uk/event/event_diary_pda.php
