Membership Categories

Orienteering Members

FVO orienteering membership requires affiliation to both the Scottish and British orienteering governing bodies – i.e. the Scottish Orienteering Association (SOA) and British Orienteering Federation (BOF) respectively

BOF membership has two categories – National BOF Membership (NBM) and Local BOF Membership (LBM). Unless you either (i) orienteer extensively in England, or (ii) wish to take part in the British Championships – we recommend the cheaper LBM membership. See our web site for full details.

Members new to orienteering can have SOA and LBM membership free for the first year.

Orienteers who are joining FVO as a second club, and already have appropriate governing body membership – need only join FVO.

Social Members

Who don't orienteer and are not a member of either SOA or BOF. However, for £10.00 per year – a subscription to the SOA magazine "Score" which is published every two months can be added.

All FVO members are encouraged to take part in the running of FVO.
All FVO members and friends are welcome at all FVO social events.
