Thanks for coming to this inaugural Lamp-O. I hope everyone enjoyed the challenge. Sorting the results has also been a challenge, with some scrawly handwriting and right numbers in the wrong boxes. I also suspect people might have tried to remember some whilst running along and then wrote the odd one down wrongly. Well done to people who spotted the extra lamppost in the bushes down the road a bit from No 4 – it was allowed. Very junior juniors (Lucy) had some different controls for 10-13. Geoffrey

Wrong:
