

# FALLIN - WEDNESDAY EVENING EVENT #6

## 02/06/21 Final Details

### Important Covid Info:

1. If you're displaying one or more Covid-19 symptoms you must not attend.
2. If you are in Covid-19 quarantine you must not attend.
3. People in higher risk categories as set out by the government should be aware that attending places you at increased risk.
4. The 2-metre rule applies at all times, including at controls, so please move away from controls as soon as you have punched. Please also maintain distancing on the route between parking and Start/Finish.
5. Please keep young children with you at all times.
6. You need to turn up for your starts on time. There is minimal room for rescheduling late starters, and you may have to wait to get an available start slot.
7. Please do not congregate at the start/finish/car park.
8. By taking part you agree to British Orienteering code of conduct (see [https://www.britishorienteering.org.uk/COVID19\\_Safe\\_Orienteering](https://www.britishorienteering.org.uk/COVID19_Safe_Orienteering) )

**Parking:** As shown on the FVO event page – there is a small car park at NS838915 / FK7 7JH. This is the nearest place to the start finish. If full please seek alternative safe and responsible on-street parking.

**Toilets:** There are no toilets at the event and there doesn't appear to be any public toilets in the village. Please be aware.

**Start/Finish:** These are both very close to the car park. Follow the footpath along the side of the Miner's Memorial Park heading south to Fallin Bing and you will see us. Please avoid congregating around the start area and aim to arrive at the start no more than 5 minutes before your start time. Please always adhere to the 2m rule while waiting.

### Terrain:

Mix of deciduous and coniferous woodlands surrounding a re-landscaped bing. Yes, an old mining slag heap – but trust me it's a lot lovelier than it sounds. ☺

**Map:** 1:5,000, Contour interval 5m, drawn by GG Maps in 2015 and minor updates May 2021.

**Control descriptions:** These are printed on the front of the map. There will be no loose descriptions at the event, but you can download your descriptions from this email and print them off yourself.

**Timing:** Sportident in Contactless mode (SIAC) but any version of Sportident dibber will work. Note that all dibbers, including SIAC, must be dibbed manually at the Start and the Finish.

**Controls:** Please avoid putting your hands on any of the equipment.

### Courses:

Yellow 1.8k +30m  
Orange 2.2k +50m  
Green 4.8k +80m

**Courses close:** at 8:00pm. If you are still out on the course at 8pm, please head directly to the finish!

**Safety:** There will be other users in the woods, such as dog walkers, runners and cyclists. Please be considerate to other people using the area for recreation, bearing in mind the ongoing distancing rules.

**Covid-19 procedures:** A Covid officer will be present at the event, ensuring that we meet the guidelines; please do not be offended if you are asked to move to give someone else space, or move on after you have finished, or downloaded, etc.
