Punching start. If you are shadowing another competitor you may, if you wish, adjust your start time, provided Covid separation from other starters is observed.

Start procedure:

- 1 Insert your dibber (SI card) into to the Clear unit until it flashes/bleeps. This may also be done at Registration.
- 2 Insert your dibber into the Check unit, this should flash/bleep to confirm the dibber is cleared
- When you are ready, insert your dibber into the Start unit, it will flash, then GO!

The Start unit and start flag are located together.

Yellow, Orange and Blue courses share the same final navigation leg to the Finish. There is one obvious route, which for the benefit of Yellow competitors is partially taped.
