

Callander Crags SoSOL 3/12/22 - Final Details V2

Car Parking: [Station Road Car Park](#) in Callander

Bike Parking: In car park.

Registration/Download: Western end of car park. Hire SI cards will be here.

Start: 150m north out of car park (see map below)

Finish: 250m NW of parking

Toilets: In car park.

Terrain: Deciduous and Conifer Forest, longer courses go out onto the open hill. Steep. Courses from Green upwards have to cross a fence - it is about 1 metre high (no barbed wire) and can be crossed anywhere.

Map:

1:10,000

A4 in size

ISOM2017-2 - Mapper: Ben Mitchell and Martin Bagness

For a simplified full specification see the [maprunner website](#). Legend also on map.

Courses

Yellow - 1.8km - 60m climb

Orange - 2.3km - 150m climb

Light Green - 2.8km - 150m climb

Short Green - 2.6km - 140m climb

Green - 3.5km - 200m climb

Blue - 5.0km - 250m climb

Brown - 6.0km - 300m climb

Control Descriptions: Loose and on map

Clothing: Waterproofs may be compulsory if the weather is bad.

Safety

- Well used public area. Please be mindful of other uses: walkers, dogs, cyclists.
- There are some very large crags. Courses have been planned to avoid the biggest but please take care.
- First aid at download.
- Courses Close 14:45

Dogs: Please keep on a lead.

Help: If you could collect in a few controls at the end we would be very grateful.
