

Callander Explore 30 January - Final Details

Location: McLaren Leisure Centre, Callander, FK17 8JP

Parking: McLaren Leisure Centre has a carpark in front of the Leisure Centre.

There should be sufficient parking here, however there is a children's party at the same time as our activity

Note: If Leisure Centre car park is full please use town car parks (10-15 minutes' walk) as we have not been given permission for the school car park, and local residents in Mollands do not like people parking there and are likely to complain.

Toilets: There are toilets at McLaren Leisure Centre

Equipment

Wear clothes suitable for the weather and the speed you will be going – hat and gloves advised - there is a chance of snow on Sunday.

Pen for recording answers to clues

Registration

Upstairs in the Leisure Centre in meeting room 2.

Follow all Covid measures signed at entrance including wearing of face covering and disinfecting hands at entrance. There is a one-way system in place through the Leisure Centre to registration and to the start and finish area in front of the centre.

Arrive no sooner than 10 minutes before your allotted start time – see start list

If there is a queue allow space between groups or go back down the corridor to the café area where there is more space to wait.

If you do not want to enter the building due to being at higher risk of Covid, then please contact the organising coach before coming to the activity – See contact details

Start

Immediately in front of the Leisure Centre. Go down the fire escape staircase to maintain one way system.

If groups or individuals are receiving coaching help they should stand a bit way from the start to give others space to start. There is no SI Timing for this activity.

Finish

IMPORTANT SAFETY even if you do not finish your course return to registration to check back in.

Finish is immediately in front of the Leisure Centre. The activity is not SI timed. If you want the time from when you finish to get a time then note it here for yourself. Otherwise, the time will be for safety purposes only back in registration. **Follow one way system back to registration in meeting room 2**

Courses

IMPORTANT SAFETY you must use the road crossing points marked on the map to cross main roads

Adult accompanying U16s are responsible for safety at road crossings

Do not run with pens in your hand in case you trip and fall on it. Find a place to put it away

Give others space at the clue points marked on the map
