Start/Finish.

In the playing field immediately adjacent to the parking at the Southern end of Milnepark Road.

Terrain.

Both Long and Short courses are in a typical urban housing estate.

Toilets.

There are no toilets at the event. The nearest public toilets can be found at **Stirling Services, FK7 8EU**, at the M9/M80 junction approximately 2.5km from the event start.

Safety.

Short and Long courses cross some roads that may have light to moderate levels of traffic, so competitors should always take care when crossing roads. There is no traffic-free Junior course this week, so all Juniors under 16 **MUST** be shadowed by a responsible adult. As with all urban sprints with many narrow passageways and alleys, competitors should be aware of collision risks and take special care when approaching and exiting controls.

Map.

1:4,000 2.5m contour interval, surveyed by G Gristwood in 2020.

Control Descriptions.

There will not be loose control descriptions at the start, but a pdf will be available on the FVO website for printing. The control descriptions will be printed on the maps.

Courses.

Long 3.1 km

Short 2.7 km

Courses close at **7:30pm**. All participants **MUST** report to the finish by this time. Participants take part at their own risk and any participants with relevant pre-existing medical conditions which might affect their participation should disclose them to the race organisers before they start.
