**Start & Finish location:** outside No. 40 Robertson Way, Callander.

**Parking:**

Along the roadsides, in the Robertson Way estate. Please park close to the curbs and the car in front and do NOT use the residents' estate car parks as all the spaces are allocated. If there is no remaining space in the small Robertson Way Estate then please park in the Vorlich Crescent estate on the other side of the main road but please take care crossing the main road at all times!

**Map:**

Scale 1:5,000 / 2.5m contours. 2021 by G. Gristwood. Sprint specifications/symbols.

Recent changes requiring map updates, which competitors may notice:-

A new playground area has been created with an obvious new fence around it close to control 8 on the long course (code 198). This same newly extended playground & fence (not on the map) may also be seen by competitors on the short course, dependant on route choice, on the leg from control 3 to 4.

On the short course only; there are a couple of felled single trees close to control 7 (code 195), however the control site and kite will be obvious.

**Courses:-**

Measured straight line.

Long: 4.2 km 40 m of climb.

Short: 2.6 km 30 m of climb. Competitors under 16yrs old must be shadowed...refer to the safety note below.

**Terrain:**

Long: 80% tarmac 20% grass and woodland.

Short: 90% tarmac 10% grass and woodland.

**Safety:**

BOTH courses cross the main road twice. Please take care!

Competitors on the long course, should note, for your second main road crossing, towards the end of your course, cars tend to be traveling quickly on the approach into town from the east.

**Courses close at 19:30**
