About the Area: The Barrwood was established as a Scout training ground in 1922 and was gifted, in trust, to the Stirlingshire Scout Association in 1946 by Sir Ian Bolton of Auchenbowie, Lord Lieutenant of Stirlingshire.

Barrwood is the jewel in the crown of our smaller local areas, and has been used many times for racing, including the Middle race at the 2008 World Schools Championships (which was won by a certain Kris Jones)
