### Details

**Parking:** As shown on the FVO event page – there is a small car park at NS838915 / FK7 7JH. This is the nearest place to the start finish. If full please seek alternative safe and responsible on street parking.

### Courses:

Yellow 1.7k +30m climb

Orange 2.4k +40m

Green 3.8k +95m

Blue 5.2k 120m

For Green and Blue courses there is a map flip half way round the course.

Please note that FVO Stars coaching will be happening at the same time so there will be other controls and tapes out in the area in addition to event controls

**Toilets:** There are no toilets at the event and there do not appear to be any public toilets in the village. Please be aware.

**Start/Finish:** These are both very close to the car park. Follow the footpath along the side of the Miner's Memorial Park heading south to Fallin Bing and you will see us.

**Start times:** 11.00 to 12.30.

**Terrain:** Mix of deciduous wood and shrub surrounding and on a re-landscaped bing. Yes, an old mining slag heap. We have not got permission for the SSSI of Wester Moss this time round, so if doing the longer courses, you will get to know it well!

**Map:** 1:5,000, Contour interval 5m, drawn by GG Maps in 2015 and minor updates May 2021/March 2022.

**Control descriptions:** These are printed on the front of the map. There will be no loose descriptions at the event, but you can download your descriptions from the FVO event page.

**Timing:** Sportident in Contactless mode (SIAC) but any version of Sportident dibber will work. Note that all dibbers, including SIAC, must be dibbed manually at the Start and the Finish.

**Courses close:** at 14:00pm. If you are still out on the course at 14:00 pm, please head directly to the finish!

**Safety:** There will be other users in the woods, such as dog walkers, runners and cyclists. Please be considerate to other people using the area for recreation, bearing in mind the ongoing distancing rules.
