

Plean Country Park 7th October 2023

Parking

Parking will be in the Plean Country Park public car park (///forgotten.likening.volcano) This will be free and STUOC members will assist you in finding a parking space. Please beware of other orienteers' cars, cars of the public and pedestrians.

Assembly

Assembly will be located on the grassy section near to the car park, on the East side of the walled area. There will not be any refreshment traders at the event but there will be a cake stall. These have been provided by STUOC members and are available to everyone for a donation, the proceeds going to STUOC to help with events in the future. There will be no portable toilets but hopefully the park loos will be open.

Area

The area is made up of beautiful woodland consisting of runnable forest, streams and ditches, slopes and some open areas. Please be aware that there may be litter including cans and glass. Also please remember this is a shared woodland and members of the public including walkers, cyclists and dogs will also be using the forests. It is also a very popular area for hacking so please be wary of horses on the bridleways.

Start & Finish

The start is located just South of the car park and assembly. Control descriptions will be on the map, please print your own loose descriptions. The finish is located on the path on the other side of the car park and will be visible from there.

Course Details

Course	Distance
Yellow	2km
Orange	2.3km
Short	3.6km
Long	7.3km
